Marco Gliori's performances have earned him a reputation as a mischievous and masterful storyteller and **popular poet** appealing to all ages. Australia is the playground, characters are often real, and this bloke's energetic and unique style will inspire children to unleash their imaginations and explore why
'Poets Never Lie'!

Marco has interactive and fun-filled presentations for audiences of 10 to 150 students.

Lower Primary - Marco has children marching, chanting, acting out and listening enraptured as he presents his original Australian Poetry.

Upper Primary - join in and act out poems interspersed with humorous anecdotes specifically designed for children of this age bracket: snake wrestling Grannies, inspiring dog stories, true tales from a country boy who now travels Australia performing his cheeky ballads and poems.

Workshops - for class-size groups (years 4-7) designed to be highly interactive including theatre and word games that will have children writing and performing.

Marco Gliori is a professional presenter and has a great manner with our boys. His presentations are full of humour and encourage students to see poetry in a new and engaging way. Audience participation is a highlight. Marco has visited our school for many years and it is always a pleasure to welcome him back.
