Two Weeks Prior to the Event:

- Funkybooks will send a courtesy email confirming the event. You will also receive a pre-visit order form to email to families to order signed copies of Chris' beautiful books, if appropriate and fits with school policy.
- **Payment** - Funkybooks will email a tax invoice to the Host with payment terms. Note - GST does not apply for schools outside of Australia.

On the Day of the Event:

- The connection is made 15 minutes prior to when the students arrive to ensure all runs smoothly on the day.
- The teacher/librarian facilitating the presentation must be present for the entire session. He/she is to advise the students this is a live video conference and ensure the setting is controlled to allow a fun and funky interactive presentation! Chris will present directly to the students but will generally direct most comments/questions during the presentation through the facilitating teacher/librarian.
- Access to a Computer which is connected to audio/visual equipment or interactive whiteboard for viewing the presenter and the audio-visual slideshows.

Materials – One A4 sheet (folded in half to A5 size), one A4 sheet (left as A4 size) and one pencil per student.

The A4 sheets and pencils/crayons to be handed out to the students for the art activity, which is the final activity for the session. **To eliminate additional background noise, it's suggested these materials are held by one of the staff until the art activity.**
